

NGWA Online Buyers Guide Listing Order Form

Our online NGWA Buyers Guide allows customers to locate your business quickly and easily. Premier and Platinum listings will appear under the categories of your choice, ensuring that your company is seen by those in the market for your products and services.

Please complete this form and return it to NGWA Sales by emailing it to sales@ngwa.org or faxing it to (972) 985-8069.

Company information

Company name _____

Address _____

City _____ State/Province _____

Country _____ Zip/Postal code _____

Phone _____ Fax _____ Email _____

Website _____

Is your company an NGWA member? Yes No

If yes, NGWA member number _____

Social media links (please provide full URL)

Facebook _____

Twitter _____

LinkedIn _____

Instagram _____

YouTube _____

Company type

Manufacturer Supplier

Company contacts

1. _____ Email _____

2. _____ Email _____

Company description

Video links (Platinum listing) — maximum of 2

Expanded products/services (Platinum listing)

Special offers (Platinum listing)

Payment information

- Premier listing NGWA member — \$399
- Premier listing nonmember — \$899
- Platinum listing NGWA member— \$599
- Platinum listing nonmember — \$1,099

Check enclosed Check number _____

Credit card

American Express Visa MasterCard Discover

Credit card number _____

Expiration date ____ / ____ Security code _____

Printed name _____

Signature _____

Please submit this form to NGWA Sales via fax at (972) 985-8069 or email to sales@ngwa.org.

FOR OFFICE USE ONLY!

Buyers Guide start date _____ Buyers Guide end date _____

NGWA Online Buyers Guide Categories

Our Online Buyers Guide allows customers to locate your business quickly and easily. Premier and Platinum listings will appear under the categories of your choice, ensuring that your company is seen by those in the market for your products and services.

Ten (10) free categories are included with Premier listings, while 50 (fifty) free categories are included with Platinum listings.

Bits and Bit Tools

- bit dressers and tools
- bit grinders
- button bits
- carbide bits
- diamond bits
- down-the-hole bits
- drag bits
- mill tooth bits
- reverse circulation bits
- rock bits
- rotary hammer bits
- tungsten carbide

Casings and Casing Tools

- casing cutter — downhole
- casing tools, spiders and slips
- casings, fab steel centralizers
- casings, fabricated steel
- casings, fiberglass
- casings, plastic
- casings, PVC
- casings, shoe
- casings, stainless steel
- casings, Teflon™
- casings, threaded PVC
- clamps

Drilling Rigs

- rigs, air rotary
- rigs, auger
- rigs, bucket
- rigs, cable tool
- rigs, combination/cable and rotary
- rigs, compact
- rigs, core drill
- rigs, crawler
- rigs, direct push/probe
- rigs, exploration
- rigs, horizontal drilling

- rigs, overburden
- rigs, percussion drilling
- rigs, pump setting

Drills, Drilling Supplies, and Drilling Tools

- auger drill tools
- augers, bailers
- augers, hollow stem
- augers, sand pumps
- augers, solid
- bentonite pellets/tablets
- boring machines
- compressor filters
- compressors
- couplings, compressor
- direct push tools
- drill collars
- drill pipe tools
- drill steel, adapter subs
- drill steel, blast hole
- drill steel, inertia weld
- drills, caisson
- drills, core
- drills, direct push/probe
- drills, directional
- drills, down-the-hole
- drills, foundation
- drills, rotary
- drills, tieback
- drills, topdrive
- elevators, casing
- elevators, pipe
- fishing tools
- geothermal equipment
- gravels
- grout, bentonite
- grouters
- grouts/sealants
- hydrofracture equipment
- jet adapters and packaging

- jetting tools
- manhole covers
- probes
- protectors
- pullers
- reamers
- recorders
- regulators
- retrieving tools
- rotary, bits
- rotary, cones
- rotary, drag
- rotary, kellys
- rotary, subs
- rotary, tables
- rubber hose clamps and fittings
- sonic drill tools
- underreamers
- welding equipment

Drives and Drive Components

- drives, bushings
- drives, caps
- drives, couplings
- drives, pulling heads
- drives, right angle
- drives, shoes
- drives, variable frequency

Environmental Equipment

- bailers
- cameras, down-the-hole
- core boxes
- core drilling tools
- computer software, modeling
- data logging equipment
- decontamination and environmental equipment and services
- depth indicators
- environmental supplies

NGWA Online Buyers Guide Categories (continued)

- geophysical equipment and testing services
- geotechnical instrumentation
- hydrocarbon detection recovery
- radon removal
- samplers, liquid/groundwater
- samplers, soil/vadose zone
- sampling devices
- services, hydraulic fracturing
- services, water testing
- services, well fracturing
- soil sampling tools

Hammers and Hammer Components

- hammers, bit blow tubes
- hammers, cable tool
- hammers, casing/drill through
- hammers, down-the-hole
- hammers, drive head
- hammers, extractor
- hammers, fluid
- hammers, hydraulic
- hammers, rotary

Insurance

Lubricants

- lubricants, automatic transmission fluid, synthetic
- lubricants, bentonite
- lubricants, compressor fluid, synthetic
- lubricants, diesel oils, synthetic
- lubricants, drilling fluids
- lubricants, engine oils, synthetic
- lubricants, foam
- lubricants, gear oils, synthetic
- lubricants, grease, synthetic
- lubricants, hydraulic fluids, synthetic
- lubricants, open gear and wire rope, synthetic
- lubricants, polymers
- lubricants, power shift transmission fluid, synthetic
- lubricants, spray
- lubricants, thread compound

Mud Systems

- mud systems
- muds, polymers and additives
- portable mud kits
- separators
- shakers
- solids separation equipment
- stations
- strainers
- suction strainers
- sump pump discharge kits

Pipes, Pipe Fittings, and Components

- pipe, coatings
- pipe, drill
- pipe fittings, brass
- pipe fittings, metal
- pipe fittings, nonmetal
- pipe fittings, plastic
- pipe fittings, steel
- pipe fittings, threaded PVC accessories
- pipe, flexible drop
- pipe, geothermal
- pipe, joint compound
- pipe, joints
- pipe, metal
- pipe, monitor
- pipe, perforators
- pipe, plastic drop
- pipe, repair
- pipe, threaded PVC drop

Power Transmissions/PTO Components

- power transmissions
- power transmissions, gear repair
- power transmissions, gearbox
- power transmissions, hanger bearings
- power transmissions, PTO drives
- power transmissions, pulleys
- power transmissions, speed reducers

Pump Components and Motors

- bearings
- bladders
- boosters
- cable, submersible pump/motor
- check valves
- controls, constant pressure
- controls, variable speed pumping
- electric motor controls
- hydrants and faucets
- hydraulic pumps and mowers
- leathers
- magnets
- motors, electric
- motors, jet pump
- motors, submersible pump
- motors, vertical turbine
- mounting brackets
- pistons
- submersible top guides
- sucker rods
- vapor extraction caps
- vents
- wireless controls
- windmills

Pumps

- irrigation equipment
- pump hoists
- pumps, bladder
- pumps, booster
- pumps, centrifugal
- pumps, chemical feed
- pumps, constant pressure
- pumps, development
- pumps, drawdown
- pumps, fuel
- pumps, hand
- pumps, high pressure
- pumps, inertial
- pumps, injection
- pumps, jet
- pumps, mud
- pumps, multiple systems
- pumps, municipal
- pumps, peristaltic

NGWA Online Buyers Guide Categories (continued)

- pumps, piston
- pumps, pitcher
- pumps, pneumatic
- pumps, progressive cavity
- pumps, reciprocating
- pumps, recovery
- pumps, sampling
- pumps, sewage
- pumps, skimming
- pumps, solar
- pumps, specialty
- pumps, submersible, industrial
- pumps, submersible, irrigation
- pumps submersible, residential
- pumps, sump
- pumps, vertical turbine
- pumps, well developing
- pumps, yard hydrants

Rig Components

- adapters, rope
- breakout tools
- bushings, drive
- bushings, rotary deck
- cable wire, ties, and guards
- carousels
- catheads
- derricks
- diverters, pneumatic
- gears
- generators
- generators, hydraulic
- hoist plugs
- hole openers
- hooks
- jacks
- line shaft bearings
- masts
- rods, drill
- rope, wire
- shaft couplings
- stabilizers
- switches
- swivels, air
- swivels, grout
- tongs
- wrenches

Safety Equipment

- alarms
- apparel
- barricades
- cameras, video
- hand cleaners
- light tower
- lightning arrestors
- padlocks
- rope, safety
- safety surfaces, no-slip
- stair treads
- tape, electrical
- traction mats
- warning lights
- warning tape

Tanks and Tank Components

- tank air seals
- tank fittings
- tank tees
- tanks, air
- tanks, buried units
- tanks, diaphragm
- tanks, fiberglass
- tanks, galvanized
- tanks, lined
- tanks, pressurized
- tanks, stainless steel
- tanks, steel
- tanks, water

Valves

- valves, air release
- valves, backwash
- valves, ball
- valves, butterfly
- valves, bypass
- valves, check
- valves, drain
- valves, flow regulating
- valves, foot
- valves, freeze protection
- valves, gate
- valves, nonmetal
- valves, pressure regulators
- valves, pump control
- valves, relief
- valves, solenoid

Vehicles and Vehicle Equipment

- all-terrain vehicles
- carriers
- cranes
- engines, diesel
- reels, fuel
- toolboxes
- torque arrestors
- tracked vehicles
- trailers
- traveling blocks
- trucks, axles
- trucks, rig support
- trucks, service
- trucks, water
- welder racks
- winches

Water Flow Control Equipment

- ASR flow control valves
- discharge kits
- liquid level controls
- low flow controls
- meters
- orifices/bleeder
- piezometers
- sensors, flow
- sensors, level
- sensors, pressure

Water Quality

- filter media
- filters, bacteria removal
- filters, carbon
- filters, cartridge type
- filters, miscellaneous
- ion-exchange media and equipment
- lead removal, water treatment
- PFAS removal
- reverse osmosis
- rust removal
- softener conversion kits
- softeners
- taste and odor removal
- TDS indicators
- telemetry equipment

NGWA Online Buyers Guide Categories (continued)

- telemetry systems
- test strips
- testing kits
- testing labs
- ultrafiltration systems
- ultraviolet systems
- undertanks
- water analysis
- water coolers
- water level measurement equipment
- water level meters
- water quality instrumentation
- water treatment, component parts for equipment
- water treatment, drinking water systems
- water treatment systems, commercial/industrial
- well and tank covers/enclosures
- well caps
- well casing depth indicator
- well cleaning
- well rehabilitation, repair equipment
- well rehabilitation/remediation
- well site markers
- well treatment supplier

Water Treatment and Cleanup

- aeration equipment and systems
- air chargers
- air strippers
- air volume controls
- arsenic removal
- brushes, rehabilitation
- chemical feed equipment
- chemicals, remediation
- chemicals, water treatment
- chlorinators, water treatment
- conditioning, water treatment
- deaeration and degasification
- desalination systems
- desanders
- desilters
- disinfection equipment
- distillation equipment

- electromagnetic water treatment
- membranes, water treatment
- mineral tanks, water treatment
- monitors, water treatment
- nitrate removal
- remediation pumping equipment
- remediation tool locators
- swaging
- well blasting

Suggested new categories

Water Well Parts and Tools

- controls
- converters
- couplings, PVC
- cylinders
- dies and inserts
- fittings
- flumes and weirs
- gaskets
- gauges
- groundwater pumping equipment
- heat pumps, water source
- heat shrink
- nipples
- packers
- perforators
- pitless adapters
- plugs
- points
- sand traps and separators
- sanitizers
- Schrader air valves
- screens and points, fiberglass
- screens and points, metal
- screens and points, nonmetal
- screens, slotting blades
- screens, threaded PVC
- seal vents
- sealants
- seals
- seals, drawdown
- slotting machines
- splice kits
- top guides
- washers, break-out
