Our corporation has **NOT** given solicitation approval to another trade association(s) for the time periods listed below. By federal law, I understand that a corporation may grant approval to only one trade association in a calendar year.

Our firm is a member of the National Ground Water Association (NGWA). I have authority to grant permission to NGWA-PAC to solicit my firm's executive and administrative personnel, its stockholders, and the families of both groups. I understand that I may withdraw my approval at any time. I further understand that NGWA-PAC must retain this approval for three years after the year to which the approval applies.
